Respirex International Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 3

PPE Product

Respirex (logo) "Workmaster" Hazmax antistatic safety boot, Design D:
Knee-height boot, consisting of a green thermoplastic shaft with lining,
comfort insole, steel toe cap (522), stainless steel midsole and antistatic
rubber sole unit, which is available in thirteen nominal sizes: UK size 3 to 15
(EU size 35-50), part numbers: B00847 to B00859.

It is certified that the manufacturer's technical file and the above mentioned
PPE have been assessed and found to be in accordance with the
requirements of Council Directive 89/686/EEC. When examined the PPE
satisfied the requirements in the relevant harmonized standards:

EN ISO 20345:2011 (Personal protective equipment – safety footwear)

Class II footwear with a performance category of S5, with additional special
applications: CI, HRO & SRA;

EN 13832-3:2006 (Footwear protecting against chemicals under laboratory
conditions) with permeation test reagents: K-O-R.

The manufacturer's information notices (BS\B00850 Issue 2), in English,
have been inspected and found to have addressed all of the relevant
requirements of the standards. However, the detailed content of the
information notice is the responsibility of the manufacturer, as are
translations into other languages.

This certificate is issued on the strict condition that appropriate checks on
manufactured PPE, as detailed in Article 11 of the Directive are
implemented and maintained while the model is in production.

Certification is based on technical file reference: TF088, issue A

SGS Reference Number: GB/PP 230631
