

Nitrile Coated Red Handling Glove

OGL-2104

Description

Light weight, 13-gauge machine knitted seamless construction nylon liner with a tough nitrile coating for excellent dexterity and abrasion resistance. Supple Nitrile palm coating gives excellent grip in dry applications and also provides great resistance to oils, fats and grease. Red colour coded liner allows for quick recognition of the cut protection level. Close fitting and elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris.
