

# APOLLO® HEAVY DUTY SACK TRUCKS

**DAY  
DELIVERY**

## DESCRIPTION

Our Apollo® Sack Trucks are designed to move large bulky loads (300kg) and be easily manoeuvrable. This range is perfect for a range of environments when wanting to move goods from A to B. Alongside being safe and practical, some of the Apollo® Sack Trucks come with strong, riveted knuckle guard hand grips.

## FEATURES

- ✓ Variety of types including P Handle, Angle Iron & Folding Toe
- ✓ High quality steel construction
- ✓ Come with strong, riveted knuckle hand grips (Excluding model GI705R)
- ✓ Maximum load capacity of up to 300kg (Please see below table)

These puncture proof wheels are tested to withstand sharp objects and un-even terrain without damaging the wheel.

GI703R
