

# VINYL

POWDER FREE  
DISPOSABLE  
GLOVES

## Features

### Latex Free

ASAP Clear Vinyl powder-free disposable gloves are free from natural rubber latex, making them an ideal choice for people with sensitive skin or latex allergies.

### Odour-free

Unlike Latex gloves, ASAP Clear Vinyl powder-free disposable gloves are odour-free, making them suitable for use in environments where strong odours may be a problem, such as food preparation or dental operations.

### Food Safe

These gloves are made of high-quality vinyl that is safe for handling food products, meaning they are ideal for use in food handling, preparation and service industries.

### Economical

Our Vinyl gloves are an affordable choice compared to other types of disposable gloves, making them an ideal choice for business and individuals looking for an economical option. Perfect for applications that require frequent glove changes.

### Application

Our ASAP Vinyl Powder Free gloves are ideal for a wide range of applications, including home use, food handling, janitorial, and general cleaning. They are suitable for both personal and professional use, making them a versatile option for all your hand protection needs.
