Dressing dimensions: 20cm x 20cm

SALES BODY TEXT

The HypaSoothe Burn Dressing is a sterile gel soaked burn dressing ideal for the first aid treatment of minor burn injuries. The nonwoven dressing is soaked in a water based, water soluble gel formula that moistens, cools and soothes burns.

The dressings are suitable for use on 1st and 2nd degree burns and scalds. They are sterile and bacteriostatic, ensuring a contamination-free moist wound healing environment. Non-adherent and latex-free.

Usage:

- Cool the burn with water
- Remove the dressing from packaging and apply directly to the burn injury
- Secure the dressing with a non-absorbent bandage

Caution:

- Do not reuse
- For external use only
- Do not use if packaging is broken
- Do not treat a burn with butter, grease, dry dressings, ointments or salves

The HypaSoothe Burn Dressing is available in the following sizes:

- 10cm x 10cm
- 20cm x 20cm
