## Fully Coated Latex Foam Glove

### Features

-3131X

-15 Gauge liner grip glove.

-Fully coated latex foam that features a breathable liner on the rear of the hand. This feature will allow the hand to stay cool over any extended periods of work. The glove is made to be soft and flexible in the foam latex coated palm for a comfortable fit. The foam is both comfortable and resilient offering a high level of grip in dry and wet conditions.

-Suitable for general handling, brick laying, cement handling, construction and local authority.
