

Gripflex Red Handling Glove

OGL-2115

Description

A tough, general purpose, premium quality glove suitable for a wide variety of applications. 10-gauge knitted polycotton liner with a premium black crinkle latex coating gives excellent grip and durability. This glove is soft and extremely comfortable for the wearer. Red colour coded liner allows for quick recognition of the cut protection level. Close fitting and elasticated knitted wrist provide a secure fit and keeps hands free from dust and debris.
