

ST11 - Coverall PP 40g

Collection: Disposable Workwear

Range: Disposables

Materials: PP

Product information

This popular disposable coverall is used widely across many industries. It is designed with elasticated stitching around the hood, both the leg and sleeve hems and elasticated stitch detail around the waist, making it a great fit. This product is individually wrapped and is available in two colours, Navy or White and up to a size 3XL.
