

Roughneck (ROU68146)

Shovel Square - 1070mm (42in)

The Roughneck Square Point Shovel is strong yet lightweight with a fully hardened pressed steel construction. Treads on the blade allow for increased pressure to be applied with reduced risk of slippage. The Power Ring socket steel reinforced plug provides stronger blade to handle connection. It has a fibreglass shaft for reduced overall weight with a comfortable double injected D grip handle. Ideal as a general purpose shovel for moving sand, gravel, cement, earth and for shovelling out and filling trenches. Specification: Blade Width 215mm Overall Length 1067mm 42in

Shovel Type

Square Mouth
