

Roughneck (ROU68191)

Grain Shovel - 1070mm (42in)

The Roughneck Grain Shovel is ideal for moving various bulk materials. Exceptionally light yet strong, the corrosion resistant aluminium head with reinforcing ribs can be sterilised for use with grain and feed. Features a deep scoop to hold large volumes of loose materials. The high lift blade offers improved leverage and reduces bending when lifting. With a tubular fibreglass shaft and a soft grip D shaped handle for comfort in use.

Specification
