

TECHNICAL DATA SHEET

TIP-A-TRUCKS

DESCRIPTION

The Tip-A-Truck is a durable utility vehicle designed with a robust polyethylene body and a reinforced steel frame. Equipped with large wheels, it ensures a smooth ride over any terrain. Its unique tipping mechanism allows for effortless content dispensing by simply lifting the truck. Ideal for use in a range of environments, this versatile truck combines strength and convenience.

**ASSEMBLY
REQUIRED**

FEATURES

- ✓ Large wheels give these units a smooth ride over rough & uneven terrain
- ✓ Unique tipping action - the trucks easily tip when lifted to make it easier to dispense the contents
- ✓ Easy to clean polyethylene body supported by a strong & durable steel frame

TI207B

TI208B

UNIQUE TIPPING ACTION

As the unit is tipped, the wheels slide to the middle of the unit, giving you greater comfort when in use

Locking mechanism keeps the easy clean Polyethylene body from tipping, controlled by an easy release mechanism
